11 - What did you like about this course?

Carolina Pelaez-Morales

Return Rate	13/21 (61.9%)
--------------------	---------------

- she gave us a good amount of time to work on our assignments
- The teacher is really hands on. She truly wants to help you learn and thrive. Great activities and workshops!
- She gave many quizzes that increased your grade if you did good on it
- Interaction and respect for students
- Learning from the transition from highschool to college, i did not know so much change could happen in a paper in such little time.
- The first two essays were enjoyable. the class isn't boring, the extra credit
- I enjoyed the fact that Mrs. Palaez-Morales is very understanding and makes all assignments as clear as possible. A lot of teachers will put things in the syllabus and not bring up at all through the semester until it is due, but Mrs. Palaez is the complete opposite. She gives her students as many resources to be successful and genuinely enjoys what she does. She tries to make it class as joyful as possible and brings great energy.
- I love this professor because she is really good at teaching and cares a lot about your grades. She made writing papers more challenging but also more fun.
- Professor Morales was very engaging and helpful. I easily understood what was to be expected and what she was asking for when she gave feedback. She was open to our opinions of the class and listened to our comments on the course when she asked for them.
- how interactive she makes class
- It was a small class, so i had the opportunity to communicate easily with my professor.
- Dr. Carolina had a few accidents being the semester . She never cancelled clases or taught less despite her injuries, very dedicated to her work and making students better.
- The instructor was always very happy to teach and to be at school

12 - What did you dislike about this course?

Carolina Pelaez-Morales

Return Rate	10/21 (47.62%)
--------------------	----------------

- the reading had nothing to do with our assignments
- She gave too many boring readings
- Pop quizzes
- the 2 week break i feel most people did not use there time wisely
- the length of the readings, the final essay,
- The only thing I can say I disliked about this class is that she is a harsh grader, but that about it.
- There was nothing I disliked about the course.
- pop quizzes, I don't like how specific some of the questions are.
- She gave a lot of readings that were uninteresting, and after the reading she gave quizzes. So, I usually failed them because I wasn't interested from the reading.
- I just felt unprepared sometimes

13 - What would you change about this course?

Carolina Pelaez-Morales

Return Rate	11/21 (52.38%)
--------------------	----------------

- the quizzes
- Better explained papers
- Less pop quizzes
- use one book
- maybe the final essay or if the teacher would just choose a topic for us that is already good. and a different book to read out of because that one seemed very repetitive and like a review of stuff i already knew.
- If I could change anything about this course it would be to have more reading assignments than just writing assignments.
- I would not change anything.
- No, I very much enjoyed this class.
- make the questions less specific but not too general
- All of the readings and quizzes.
- Nothing
