Carolina Pelaez-Morales

Response Rate	7/20 (35%)

- I like how we had group discussion and blind grading of papers because I felt as though I could put my honest opinion down since my classmate wouldn't know who was writing it.
- Nothing

- I liked that Professor Morales worked with me and gave me constructive criticism on my rough drafts to do better on the final draft.
- everything
- I was provided help with my writing in all areas.
- It was an okay course nothing too hard

12 - What did you dislike about this course?

Carolina Pelaez-Morales

Response Rate	8/20 (40%)

- I disliked all the online reading it got to be about every week and some of the material was hard to concentrate on.
- She goes in circles about what she wants us to do. For example she'll say to express our opinions then two seconds later say make sure it isn't at all opinion based
- I disliked the stressful environment I felt when the class was being taught almost like a high school class. It did not have the feeling of a college student who is independent. It felt like we could get in trouble any minute for not paying attention or sitting the wrong way.
- I disliked that presenting in class.
- I did not like how some assignments were not explained very well to me to know what I have to do for the assignment
- nothing
- n/a
- The essays I guess i wouldlike a better guideline on how to do the essays
